## DATA ANALYST

Badarpur, New Delhi, IN | [parveendeswal2000@gmail.com](mailto:parveendeswal2000@gmail.com) | [www.linkedin.com/in/parveendeswal](http://www.linkedin.com/in/parveendeswal)

### SUMMARY

To obtain a data analyst position that allows me to utilize my exceptional problem-solving skills and deep understanding of business intelligence tools. Dedicated to conducting thorough research, identifying key trends, and presenting data-backed recommendations that empower managers to make informed strategic decisions and drive organizational growth

### PROFESSIONAL EXPERIENCE

**Ass. Manager(Clinical Data Analyst)** Mar 2025 - Present

**DCDC Health Services Pvt. Ltd**

- Led clinical data analysis initiatives to extract actionable insights, identify trends, and support data-driven decision-making, directly contributing to improved patient care outcomes across 200+ DCDC Dialysis centers.
- Developed and maintained dynamic dashboards using Power BI, enabling real-time clinical performance monitoring and strategic planning by senior leadership.
- Collaborated cross-functionally with clinical and operational teams, leveraging advanced Microsoft and AI tools (Excel, Power BI, ChatGPT) to address healthcare analytics challenges and streamline reporting workflows.

**Data Analyst Intern** Jun 2024 - Aug 2024  
**Ernst & Young**

- Gathered quantitative & qualitative data on emerging job skills requirements through primary research.
- Conducted in-depth secondary research to identify global employment trends and skill gaps.
- Developed insights and recommendations from research for 15th Global Skills Summit.
- Created data visualisations and reports, ensuring ethical compliance

### PROJECTS

- A Study on the Future of Jobs in the Healthcare Sector | 2024
- Evaluation of Different Pathologies with the Use of MRCP Techniques | 2023
- Evaluation of Asthma using Chest X-Ray | 2022
